

Hotels with room allotments

In the following hotels we have reserved room allotments for the participants of the ELN Symposium. Please book your hotel room by yourself keeping in mind that we only reimburse 150 EUR per night for 2 nights. Please also note that you have to pay the rooms by yourself, also if you have to cancel them in short-term. ELN Foundation is not able to cover any cancellation fees.

Availability of the room allotments after the mentioned expiry date are subject to the individual hotel.

Please make sure that all hotel and travel invoices are issued to ELN Foundation – otherwise we will not be able to reimburse:
